

Lab Director focuses on STEM education at TEDxABQ

November 1, 2013

Laboratory

Director Charlie McMillan was one of 17 individuals invited to speak at [TEDxABQ](#) in early September at Popejoy Hall in Albuquerque. McMillan spoke about the linkage of science education, national security and the national labs. TEDxABQ is an independently organized event affiliated with the popular TED Talks series.

You can watch the talk by going to [this link](#).
